

- Worked on deploying the code of the live server to the testing server.
- Solving the same bill printing issue multiple times:

TAX INVOICE			
 Naturally Yours A Family Saloon			
NATURALLY YOURS RAIPUR (ISHAN SHARMA) Sun Rise Tower C-90 New Rajendra Nagar, Near Balajee Medical Store Raipur- 492001 (C.G.) ☎0771-4000045/ 0771-4000081 BILL NO: NATP/B/23-24/032			
POONAM 8435008662			12-05-2023
Description	Qty	Rate	Amount
COSMO HAIR SERUM	1	340.00	340.00
Total			340.00
Grand Total			340.00
Thanks For Visiting Naturally Yours			

- After debugging the code I found that is issue is due to there was no primary key in the table. Hence Database ws returning same data.
- When I changed the table, so It started working.
- But after this, when we purchase multiple products so only one product is visible in the invoice. So need to check the code why this is happening.
